Warning symbols: a triangle with an exclamation mark, a triangle with a hand, and a triangle with a person.

Control panel buttons: a yellow button with a square symbol, a green button with a circle symbol, a yellow button with a square symbol, and a red button with a triangle symbol.

Blue tag on keychain with text: 'MANITOU', '5202', '4/29', '1/25', '520', '360'.

A close-up photograph of a circular instrument cluster from a MANITOU vehicle. The cluster features a fuel gauge at the top with a needle pointing to approximately 1/4 full. Below the gauge is the brand name 'MANITOU' in white, bold, italicized letters. At the bottom, there is a digital odometer displaying '05200' next to a square icon containing an hourglass symbol. The entire instrument is housed in a black plastic casing with a clear lens that shows some dust and scratches.
